

Golf Equipment Donation Criteria Update April 1, 2021

The Tennessee Golf Foundation, Chattanooga Region is very thankful that many individuals, businesses, and vendors in our community pay it forward by donating golf equipment and items for youth in our programs. Our program needs vary from season to season, and our capacity to store donated items is challenging.

Therefore, our donation policy is updated on a regular basis.

Please DO NOT drop-off and leave items at any of our program locations. If you would like to donate email Dori Paschall, dpaschall@pgahq.com, to arrange for a time to drop-off.

Please make sure any donated items are in good condition. At this time, we are not set-up to re-grip clubs or cut clubs down.

We kindly ask that any clubs with worn grips NOT be donated at this time.

Golf equipment and items currently being accepted:

- Golf clubs - junior clubs/sets
- Stand golf bags with double straps
(most of our kids are between the ages of 8-14, they cannot carry tour or cart style golf bags)
- Golf balls, new and used
 - Golf tees
 - Divot tools
 - Ball markers
 - Bottled water
- New/unopened sunscreen

Again, we thank you for your support!
